God's Great Promise!

Acts 2:16-18

This is what the prophet Joel announced would happen:

"In the Last Days," God says, "I will pour out my Spirit on every kind of people: Your sons will prophesy, also your daughters; Your young men will see visions, your old men dream dreams.

When the time comes, I'll pour out my Spirit On those who serve me, men and women both, and they'll prophesy."

Acts 2:39

The promise is for you and your children and for all who are far off—for all whom the Lord our God will call."

Promotion Sunday August 13 9:30 AM

It is hard to believe that it is already time to talk about school starting and promotion day for all our childrens' classes. We are, amazingly, at the end of summer and ready to begin a new season.

Promotion Sunday is a great time to get back into the swing of regular Bible-class attendance. Summers have a tendency to take us out of town more on the weekends. School time is when most of us are back in the routine of being in town and in Wichita on Sundays. Attending Bible class is a very beneficial habit. Why don't we start the school year off in a big way by trying to have all our children present for Promotion Sunday!

GVBC SUNDAY!

The Green Valley crew left Sunday morning! Make sure that you keep praying for them this week. Pray that big things happen within the individual teens and within the Youth Ministry at Westlink!

MARK YOUR CALENDAR!

Plan on painting the Youth Room August 10 and 11! let's get it all done before school starts! More info next week.

Join us Sunday mornings for class as we take a look at the "Sermon on the Mount"!

Would Michael Jordan play a game without his shoes? Would Tom Brady walk onto a football field without his shoulder pads? Would Albert Pujols walk up to the plate without a bat? No. So why do we walk into this building without our Bibles? Come prepared to be with the God that made us! How can we get to know Him better if we don't have His word?

Thank You

Russel and I want to thank everyone who came to our anniversary party Sunday, July 23, 2006, especially those who traveled a long distance. Everyone's presence made a day Russel and I will treasure forever. We will be forever indebted to several people who made the whole thing possible. Thank you to Karen and Chuck for all their work in planning and arrangements, to Susan Richardson for the decorations, Karen Roehrman for coordinating everything, to Melda Dimick for the punch and serving, to Cheryl Griner for the sheet cakes and serving, to Charlotte Duloherly for the coffees and teas, to Robin White and Penny Harvey for the flowers, to Johanne Loney for the beautiful 50th anniversary album. Words just don't express our thanks to those mentioned and for all the cards and sentiments expressed. We will be walking on air for several weeks.

Thank you all!

ELECTION TIME

Today, Tuesday, August 1, the primary elections are happening in our wonderful state. Westlink is one of the voting sites. We have even been one of the advanced voting sites for the last several days. Russel Clancy spent a lot of pre-voting time helping them set up all the new-technology equipment used to vote this year. So far, it appears to me that there have been many people voting at our building. One of our shepherds is working the voting here at our building. We have other members who work at other sites. It is obvious that many of

us understand voting is a wonderful right and important responsibility. Having a voice in government is a tremendous privilege.

God has given us an even higher right, responsibility and privilege to make a difference in government than voting: it is praying. Look at what the Bible says in I Timothy 2:1-4 from the paraphrased Message.

"The first thing I want you to do is pray. Pray every way you know how, for everyone you know. Pray especially for rulers

and their governments to rule well so we can be quietly about our business of living simply, in humble holiness. This is the way our Savior God wants us to live."

It is a special thing to have a voice in government through voting. It is even a more special thing to have a voice in our government and all governments of the world through prayer.

I will join thousands in this election who exercise our right to vote. I encourage all my brothers and sisters in Christ to join me in the greater right we have to pray for all the leaders of the world.
